

DEATH ON THE RAIL.

SIX MEN KILLED AND MANY INJURED.

FATAL RAILWAY COLLISION IN OHIO.

A Construction Train on the Toledo, Hocking Valley and Ohio Railroad, in charge of Conductor Humphrey and Engineer Clyde White, had been engaged in hauling gravel from the pit and many men were engaged in ballasting the road-way three miles north. Monday night, after the last train had been unloaded, the men boarded the cars which were being pushed ahead of the engine to go to their boarding camp a few hundred yards south of the gravel pit. The train was running at a hazardous speed. When it arrived at the gravel pit, which was to be passed without stopping, the switch was open and the train entered the siding and collided with some empty cars.

The greater number of the workmen were seated on the first and second cars, and when the long train turned in upon the spur had no time to jump. Ten of the cars were piled in a mass of debris and beneath this the poor mortals were crushed. It required two hours to extricate them. The dead were: Frank Galli, an Italian, aged 44, head crushed; William Rafferty, aged 50, head crushed; John Barry of Newburg, aged 59, head crushed; Joseph Ilevoff of Burlington, Vt., aged 28, throat torn and body crushed; John Halliger, head crushed and disemboweled; aged 50; John Flynn, aged 25, back broken.

The following were injured: Frank Hughes, aged 45, head crushed fatally; William O'Toole, Portsmouth, O., aged 20, in abdomen; John Fagan, Charleston, S. C., aged 23, in head and legs crushed; Pat Connors, Canton, O., aged 28, in head and breast and collar bone broken; Martin Ward, Pittsburg, Pa., aged 45, in hip and back; John Zeigler, aged 26, in head and side; Patrick O'Brien, aged 24, Akron, O., skull fractured, fatal; Hugh Morrison, Altoona, Pa., aged 46, in head and back; Patrick Costello, aged 65, left foot crushed; Morrison Collins, aged 45, Allegheny City, Pa., terribly bruised on head; John Erickson, a Swede, aged 38, feet crushed; Patrick Roach, aged 51, crushed arm and shoulder.

BAD FOR IRON HALL.

The Bank in Which Its Funds are Deposited Suspends.

PHILADELPHIA, Aug. 17.—The Mutual Banking, Surety, Trust and Safe Deposit company, of which Supreme Justice Sormby is president and in which Iron Hall funds are deposited, assigned to-day.

H. G. Williams, treasurer of the Iron Hall building company and a director of the bank was asked the reason for the assignment. He replied by referring to the recent suit for receivership instituted against the Iron Hall at Indianapolis, and the fact that \$430,000 of the order's money was on deposit in the bank.

It is claimed by applicants for the receivership at Indianapolis that \$825,000 of the Iron Hall's funds are locked up in the institution and that the Mutual company is also surety for the Iron Hall officers to the extent of \$1,000,000. The amount of deposit is believed to include \$1,700,000 said to have been advanced by the chief justice of the order to make good an impairment of the bank's capital which the state bank examiner discovered last spring. The officers made the following official statement of the bank's condition on May 31, last:

Total.....\$1,730,423.13
The bank officials refused to discuss the "\$208,062.40 commercial and other paper owned," the "\$25,726.94 miscellaneous assets," and the item, "real estate, furniture and fixtures, \$2,673.73." The cash on hand, etc., is thought to be a large extent the \$170,000 donated by the Iron Hall which went to make up the \$168,950 capital stock paid in. Of the deposits subject to check, amounting to \$92,855.37, the bulk is Iron Hall money, and the rest, it is said, is mainly funds of other fraternal orders. The special deposits, \$80,700.63, are, it is explained, "deposits for a special purpose."

At 8 o'clock this evening, in the opera house, the convention met for formal organization. J. A. Potts of Mexico, president of the state board of agriculture, presided, with Levi Chubbuck of Columbia as secretary.

Maverick Bank Officials Indicted.

BOSTON, Aug. 17.—Four indictments were yesterday reported against Asa P. Potter, Jonas P. French and Thomas Dana, ex-Maverick national bank officials. French was admitted to bail in \$10,000, John B. Stetson going his security. Dana has not yet been arrested. District Attorney Allen asked the court to fix Potter's bail at \$20,000 on each count of the two indictments found against that defendant. Justice Putnam fixed bail at \$10,000 on the false entry in the indictment, and at \$20,000 on the false certificates.

For a Gold Standard.

BOMBAY, Aug. 17.—The movement in favor of a gold standard is spreading. Petitions are received daily from officials in all parts of India in favor of a gold standard. Nearly all the officials in India are paid in silver, and the decline in the value of that metal has caused a corresponding decrease in the purchasing power of silver money. Consequently the officials in many cases find their salaries practically curtailed.

TEXAS DEMOCRATS.

KNIVES AND PISTOLS IN THEIR STATE CONVENTION.

HOGG AND CLARK FACTIONS SPLIT.

Two Separate and Distinct Conventions Held in One Hall—Jerry Simpson Indorsed for Congress by the Democrats of the Seventh Kansas District at the Dodge City Convention.

HOUSTON, Tex., Aug. 17.—The Democratic state convention to nominate a state ticket was called to order here at 12 o'clock yesterday by W. W. Finley, state committee chairman.

Judge Shepherd of Camp county was nominated for temporary chairman by the Hogg men and Johnson Lane of Lafayette by the Clark men. A call of the roll was ordered but an uproar was immediately precipitated by H. S. Mattock of Tarrant county, leader of the Clark forces, who moved for a viva voce vote. Thomas Brown of Grayson, leader of the Hogg forces, made a point against such action where two candidates were before the convention. He was sustained and counties were called for votes. The uproar was intense, both sides shouting. Amid it all, Mattock's appeal from the decision was ruled out.

Hundreds of delegates were on their feet, wildly gesticulating and endeavoring to secure recognition, while the thousands in the hall were howling like dervishes. Bédlam reigned supreme. Many Clark counties refused to vote and the call by counties showed that Shepherd was overwhelmingly nominated.

Just as the result was being announced ex-Senator Mattock jumped on a chair and declared that the minority had been stifled and bulldozed. The chair had, he said, violated all parliamentary law and custom, and he asked all those who favored the election of Lane for temporary chairman to signify by saying aye. The Clark delegates and the spectators all chimed in and a mighty shout went up from the 3,000 throats, and Mattock declared Lane elected.

In an instant the Clark banner was hoisted and then a mighty rush was made for the platform to secure a half of it. The scene which then ensued is indescribable. Men in angry passion were surging, pushing and pulling at the table and chairs and all the time yelling and cursing. Several fights were going on in the audience, and pistols and dangerous looking knives were flourishing.

At last a semblance of order was worked out of chaos. As though by mutual consent the murderous-looking pistols and knives were put back in pockets and each side took half the platform and hall, Shepherd presiding over the Hogg convention and Lane the Clark legions. After both conventions had appointed the usual committees, they adjourned until this morning.

SIMPSON INDORSED.

Nominated for Congress by the Seventh District Kansas Democrats.

DODGE CITY, Kan., Aug. 17.—At 1 o'clock yesterday the Democratic congressional committee of the Seventh Kansas district met in the Phelex club rooms and proceeded to select a temporary chairman for the convention. The committee meeting was presided over by Chairman Richardson, while Will Stokes of Barton county acted as secretary. The names of Ledru Silvey of Larned and Charles Schaffer of Newton were presented from which to select a temporary chairman and by the close vote of 16 to 14 Schaffer was declared the chairman. As Schaffer was an anti-Simpson candidate this was counted as a first blood for the promoters of a straight Democratic ticket. Will Stokes, a Simpson man, was selected as secretary and the committee then adjourned to meet in convention at 3 p. m. in McCarty's rink.

After the adjournment of the committee the supporters of Simpson became boisterous, and threatened to bolt the action of the committee, asserting that the temporary chairman selected would be partial to the anti, and would thus fail to do justice to the convention. When Mr. Schaffer heard this he refused to act as temporary chairman of the convention, whereupon Ledru Silvey was placed in nomination by Fitch of Wichita. He was selected by a unanimous vote.

The question of Simpson's indorsement was finally brought to a test by the action of Delegate Richardson, who introduced a resolution indorsing Jerry, which was adopted by a vote of 72 to 30.

Shot in a Quarrel.

LATHROP, Mo., Aug. 17.—George Newby was shot and seriously wounded here Monday night by Mat Nicholson during a street quarrel. The men were formerly partners in a butcher shop and both say the quarrel was over business matters, though it is said by some that there were other causes.

Children Cry for

Pitcher's Castoria.

Iron Hall About Doomed.

INDIANAPOLIS, Ind., Aug. 18.—It is the general belief here that the Iron Hall is a doomed organization. Following the announcement of the assignment of the Philadelphia bank which holds \$713,000 of the order's money, comes an order of the court restraining the banks of Indianapolis from paying out a dollar of the Iron Hall deposits. The order was made last Saturday but was kept a secret until yesterday, when a large number of drafts drawn by the supreme cashier of the order were allowed to go to protest by the local banks.

When Baby was sick, we gave her Castoria.
When she was a Child, she cried for Castoria.
